Presentation

Caldwell Dominican
Motherhouse

PRESENTER

*Ginger
Grancagnolo*

*Holy
Mother
of God,* Pray for us!

Why is this necessary? Perhaps what is most distinctive about our Catholic faith is the presence of Mary, Mother of Jesus. Yet so often we may not be clear about her role in our personal journey or in the redemption plan of God. Why do we need to pray to her?

Is there really healing power in the rosary? This program may provide hope for the world.
