"Victory and Power and Glory Belong to God"

Revelations 19:1

**PRESENTER** Paul Sansone

**Tuesday**

**NOVEMBER 10, 2020**

**7:00pm - 8:30pm**

Caldwell Dominican Motherhouse Chapel

It is not written off as the bizarre ramblings of a crazed visionary, the Book of Revelations is usually mistaken for a blockbuster movie script about the end of the world.

But Revelations is not so much about what will happen in the final days of earth as it is about what God does always and everywhere in Christ for human beings who are in crisis.

It is a deeply theological book that speaks profoundly of God and God's care for people.
